

# Thank you Congressman Marshall...

Iraq and Afghanistan are complicated wars. But you have not let politics influence your position. We are grateful for your integrity, leadership, and unwavering commitment to America's troops. We are veterans of these wars, and we salute you.

“Congressman Marshall stood with me and my fellow veterans from the battlefield to the home front. Now, I’m standing by him as he continues to fight for us in Washington. I served in Iraq and it was important to me that Jim Marshall was supporting our troops and our mission every step of the way.”

\* Joe “Doc” Worley was seriously wounded in a September, 2004 ambush in Fallujah, as he was running to the aid of his wounded comrades. He is a recipient of a Purple Heart, a Bronze Star Medal for Valor and a Navy-Marine Corps Commendation Medal for Valor.

We are Vets for Freedom. As a leading non-partisan voice in America representing the troops and veterans of the Global War on Terror, we salute **Congressman Jim Marshall** for his steadfast support of the American Troops and their missions in Afghanistan and Iraq.
